Press Release

August 4, 2010

AquaHealth, Inc., the leader in Sustainable Bottled Water, Expands Management Team with new hire, Dave Flanders

AquaHealth, Incorporated is pleased to announce the addition of a new member to its management team – Director of Marketing and Business Development, Dave Flanders. AquaHealth is excited to have Mr. Flanders, a proven professional who will help guide the company's continued growth.

Dave brings over 20 years of experience in the areas of sales, engineering, management and marketing. As Director of Marketing and Business Development, Dave is charged with overseeing sales and operations to streamline AquaHealth's message, support new customer programs, and build lines of communication between AquaHealth's growing customer base.

"AquaHealth is positioning itself as the leader in Sustainable Bottled Water Solutions," said Flanders. "Combining a strong 'Green' initiative with AquaHealth's reputation and momentum in the services space creates a combination that will surely move AquaHealth to a new level. I am excited to be a part of this dedicated and progressive team."

Prior to AquaHealth, Dave owned and operated Cooler Water, LLC, a Water Filtration Company, specializing in Bottle-less Coolers. Most recently, Dave sold his company to Crystal Rock, Incorporated.

About AquaHealth

AquaHealth, Incorporated offers Sustainable Bottled Water, Healthy Beverage Programs and Hydration Solutions to hospitality, corporations and educational venues across North America. AquaHealth, Incorporated brands their products under the names, AquaHealth™ and Vivante™.

AquaHealth Sustainable Bottled Water combines an in house delivery system, proprietary and customizable filtration, and reusable glass bottles to create Earth friendly bottled water™. Founders Barclay Hansen and Steve Donaghy have partnered with white tablecloth restaurants, corporations and distinctive hotel properties since 1992 to deliver Vivante Waters, AquaHealth Premium Water, and private labeled products that resonate with quality, sustainability and excellence.
